- For location, they have one additional option which is "use my current location," and data gets auto-filled:

The image displays two side-by-side screenshots of a travel booking application interface.

Left Screenshot (GoTrip): This view shows a user dashboard. On the left is a sidebar menu with options: Dashboard, Booking History, Hotels, Coupons, and Logout. The main content area is titled '5. Charges' and '6. Policy'. It lists various amenities that guests can use in the room, categorized into:

- General amenities: Clothes rack, Flat-screen TV, Air conditioning, Linens, Desk, Wake-up service, Wardrobe or closet, Heating, Fan, Safe, Towels/Sheets (extra fee), and Entire unit located on ground floor.
- Outdoors and views: Balcony, Terrace, and View.
- Food and drink: Electric kettle, Tea/Coffee maker, Dining area, Dining table, and Microwave.

Right Screenshot (Go-MMT): This view shows a 'Room Amenities' section. It features a list of amenities with checkboxes, organized into categories:

- Popular with Guests (5): Air Conditioning, Heater, Housekeeping, In Room dining, Iron/Ironing Board, Mineral Water, Room service, Study Room, Kettle, Wifi, Bathroom, and Air Purifier.
- Bathroom (5)
- Room Features (5)
- Media and Entertainment (5)
- Food and Drinks (5)
- Kitchen and Appliances (5)
- Beds and Breakfast (5)
- Safety and Security (5)
- Childcare (5)
- Other Facilities (5)

 At the bottom right of this section is a blue button labeled 'SAVE AND CONTINUE'.

- Until and unless the user does not confirm the data, they cannot move to a different tab:

- we don't have bed type in our form, also they have dropdowns like view, meal options (free or only accomodation), room size, room occupancy
- prices they don't only have single price like ours, they have one base rate and extra adult and extra for child
- room amenities are also categorized and photos are missing our forms

The left screenshot shows the 'Add hotel' form in GoTrip. It includes a sidebar with navigation links (Dashboard, Booking History, Hotels, Coupons, Logout) and a main form area with tabs for 'Add Hotel' and 'Add Room'. The 'Add Room' tab is active, showing a progress bar and a list of steps: 1. Room details, 2. Bathroom details, 3. Amenities, 4. Room Name, 5. Charges, 6. Policy. The 'Room details' section includes fields for 'Room Name', 'Room Description', 'Number of available room', 'Room Type', 'Bed Type', 'Meal Options', 'Room Size', 'Smoking allowed', and 'View'.

The right screenshot shows the 'Rooms' form in Go-MMT. It includes a sidebar with navigation links (Basic Info, Location, Amenities, Rooms, Photos, Policies, Finance & Legal) and a main form area with a progress bar indicating 'Your listing is 40% complete'. The 'Rooms' section includes fields for 'Room Name', 'Room Description', 'Number of available room', 'Room Type', 'Bed Type', 'Meal Options', 'Room Size', 'Smoking allowed', and 'View'.

The screenshot shows the 'Facilities' form in Go-MMT. It includes a sidebar with navigation links (My Properties, Group Chat, My Team) and a main form area with a progress bar indicating 'Your listing is 30% complete'. The 'Facilities' section includes a list of amenities to be selected, categorized into 'Basic Facilities (0)', 'General Services (0)', 'Outdoor Activities and Sports (0)', 'Common Area (0)', 'Food and Drink (0)', 'Health and wellness (0)', 'Business Center and Conferences (0)', 'Beauty and Spa (0)', and 'Security (0)'. The 'Basic Facilities (0)' category is selected, showing a list of amenities: Elevator/ Lift, Air Conditioning, Housekeeping, Ironing services, Kitchen/Kitchenette, LAN, Laundry, Newspaper, Parking, and Power backup.

- In MakeMyTrip while listing our property they have categorized the amenities, which makes it easier for the user choose
